CANDIDATE'S STATEMENT OF QUALIFICATIONS

Each candidate for elective office in any local agency, city, county or district may prepare a statement for mailing with County Voter Information Guides on a form provided by the Registrar of Voters. The statement may include the name, age and occupation of the candidate and a brief description of no more than 200 words (unless increased to 400 words by the governing body), written in the first person (i.e., "I am running..." not "She is running..." or "Jane Doe is running...") of the candidate's own education and qualifications. The statement shall not include the party preference of the candidate, nor membership or activity in partisan political organizations. The statement shall be filed in the office of the elections official when the candidate's nomination papers are returned for filing if it is for a primary election or for an election for offices for which there is no primary. The statement shall be filed in the office of the elections official no later than the 88th day before the election if it is for an election for which nomination papers are not required to be filed. Once filed, a statement may not be changed; however, the statement may be withdrawn during the period for filing nomination papers and until 5 p.m. of the next working day after the close of the nomination period.

In addition to the restrictions set forth above, any candidate's statement submitted pursuant to Section 13307 shall be limited to a recitation of the candidate's own personal background and qualifications, and shall not in any way make reference to other candidates for that office or to another candidate's qualifications, character, or activities. The elections official shall not cause to be printed or circulated any statement which the elections official determines is not so limited or which includes any such references.

Before the nominating period opens, the local agency for that election shall determine whether a charge shall be levied against that candidate for the candidate's statement sent to each voter. This decision shall not be revoked or modified after the seventh day prior to the opening of the nominating period. The local agency may estimate the total cost of printing, handling, translating and mailing the candidates' statements and may require that each candidate filing a statement pay in advance to the local agency his or her estimated pro rata share as a condition of having his or her statement printed. A written statement of the regulation with respect to charges for handling, packaging and mailing shall be provided at the time the nomination papers are picked up. For these purposes, the board of supervisors shall be deemed the governing body of judicial elections.

INSTRUCTIONS FOR PREPARING YOUR STATEMENT OF QUALIFICATIONS

PROOFREAD YOUR STATEMENT. WE WILL NOT CORRECT SPELLING, GRAMMAR, OR PUNCTUATION. All statements should be typewritten in upper and lower case, with paragraphs clearly indicated. Your name, age and occupation are not included in the word count. If you leave your age or occupation blank, it will not be printed (we will not contact you to determine whether this was intentional). Your occupation is not subject to the same restrictions that apply to your ballot designation; however, reason must apply and occupations exceeding one line will be shortened. Statements are printed in BLOCK PARAGRAPH STYLE with spacing between paragraphs (no indentations). Words in all capitals, indentations, italics, underlines, stars, dots, etc., are prohibited. Lists and enumerations will be wrapped as a single paragraph. Multiple single sentence paragraphs that do not fit in the space allotted will be wrapped. This office will not be responsible for the accurate printing of any statement which must be reconfigured to comply with these guidelines. Although we prefer that the statement be submitted on our form, we do accept statements that are typewritten (or computer generated) and attached to our form. However, it is extremely important that all pertinent information be included. We will not attempt to clarify information that is missing and/or unclear due to the attachment of your own form.

ESTIMATED COSTS OF STATEMENTS OF QUALIFICATIONS

Statements of Qualifications are optional and, unless otherwise determined by the governing body, are printed at the expense of the candidate. Candidates who are required to prepay the estimated costs will either be billed for the additional costs or refunded any overpayment following the election. Estimated costs for Statements of Qualifications are based on the printer's price list, set-up fees and the number of registered voters within the jurisdiction. Estimates are for statements not exceeding 200 words. Final costs will be determined by the number of candidate statements, including English and Spanish that are submitted for an individual office. If the number of candidate statements submitted is not evenly divisible by two, and the statement cannot be printed with any others, the run charges and set up fees are increased. These charges are prorated among the candidates for a particular contest. Candidates are required to submit a check with "not to exceed" the highest possible cost for 1, written under the amount line, (Elections Code §13307(c)). All checks will be held until after the final deadline to withdraw a candidate statement.
